

# Hurricane Safety Tips

## *During a hurricane watch:*

- Listen to the radio or the television for updates on the hurricane.
- Make sure to have all emergency supplies on hand.
- Make sure there's gasoline in the car.
- Board up all windows.
- Bring in all outside furniture, toys, etc.
- Plan evacuation.
- Store drinking water in jugs.
- Place valuables in a waterproof container in the highest, most secure place in the house.
- Turn the refrigerator and freezer to the coldest setting.

## *During a hurricane warning:*

- Do NOT use the elevators.
- If you are secured in your home:
  - ⇒ Stay AWAY from glass and windows.
  - ⇒ Have all emergency supplies ready.
  - ⇒ Turn all appliances off if power is lost.
- If evacuation is needed:
  - ⇒ Unplug all appliances and turn off electricity and the main water.
  - ⇒ Bring emergency supplies and blankets and sleeping bags as shelter.
  - ⇒ Leave as soon as you secure your house.
